To Love You More

Sarah Geronimo

Take me back in the arms I love
Need me like you did before
Touch me once again and remember when
There was no one that you wanted moreDon't go you know you will break my heart
She won't love you like I will
I'm the one who'll stay when she walks away
And you know I'll be standing here stillI'll be waiting for you here inside my heart
I'm the one who wants to love you more
You will see I can give you everything you need
Let me be the one to love you moreSee me as if you never knew
Hold me so you can't let go
Just believe in me, I will make you see
All the things that your heart needs to knowI'll be waiting for you here inside my heart
I'm the one who wants to love you more
You will see I can give you everything you need
Let me be the one to love you moreAnd some way all the love that we had can be saved
Whatever it takes we'll find a wayI'll be waiting for you here inside my heart
I'm the one who wants to love you more
Can't you see I can give you everything you need
Let me be the one to love you more
