

# Matter

## for KING & COUNTRY

All of the dreams that haven't come true  
And all of the hurt that happened to you  
It matters, I hope you know it matters

You felt the pain of a bitter defeat  
Where the weight of the grief is more bitter than sweet  
It matters, I'm telling you it matters

To the one who spoke and set the sun ablaze  
To the one who stopped the storm and walked the waves  
To the one who took the tree so He could say  
You matter, I hope you know you matter

I know it's not easy, not saying it's fair  
But close as a prayer somebody cares  
You're a treasure, don't you know you're treasured

So hold your head high, wait for the dawn  
Keep hanging on, your sadness will turn into laughter  
Watch it turn into laughter, yeah

To the one who spoke and set the sun ablaze  
To the one who stopped the storm and walked the waves  
To the one who took the tree so He could say  
You matter, I hope you know you matter  
You matter, heaven knows you matter

Let the water spill from your eyes  
Let it wash the wounds of those lies  
Oh, let the water spill from your eyes  
All that you are, all that you'll be  
Someone put the beat in your heart so that you'll see  
You matter

To the one who spoke and set the sun ablaze  
To the one who stopped the storm and walked the waves  
To the one who took the tree so He could say  
You matter, I hope you know you matter  
  
You matter, heaven knows you matter

You matter, I hope you know you matter  
You matter, heaven knows you matter
