Share the Glory

Wax

Working girl, pin stripe and pearls
Making your own way in the world
Nobody gets in your way, nothing can stop you
Now, there's nothing to tie you down

'Cause you got what you wanted
But did you get what you need
When there is nobody there to share the glory?

No, no, no, no, no, no, no

Working girl, how will you know? (when you reach that rainbow)
Is your dream alive if it doesn't come true? (will you win more than you lose?)
Every step of the way I was behind you
And now you don't even turn around

'Cause you got what you wanted
But did you get what you need
When there is nobody there to share the glory?

Got what you wanted (yeah)
But did you get what you need
When there is nobody there to share the glory?

I hear you talking 'bout your high ideas, woh
But you ain't even with me when youâ€™re here
You burnt your bridges, don't look back
Cause I ain't gonna be there

'Cause you got what you wanted (did ya?)
But did you get what you need (oh)
When there is nobody there to share the glory?

Got what you wanted (yeah, yeah)
But did you get what you need (ha-ah-oh)
When there is nobody there to share the glory?
