GOD

Jeezy

I'm a God in the hood, nigga
I'm a God in the hood, nigga
I'm a God in the hood, nigga
I'm a God in the hood, niggaYoung 5'8 tall like he 10 feet tall
Chopper make a nigga jump a 10 foot wall
Avian and gold bottles, this is hood royalty
No matter how broke, how rich
Nigga, never ever compromise your loyalty
Medusa head on my Versace robe
Standing on a pile of white bricks
Imagine crosses on the units
Stamps looking like a crucifix
Pure like the blood of Virgin Mary
Turn water to some wine, nigga
Plug just touchdown, met him at the Steak and Shake in Mount Zion niggaI'm a God in the hood, nigga
I'm a God in the hood, nigga
I'm a God in the hood, nigga
I'm a God in the hood, niggaYoung 5'8 tall like he 10 feet tall
Chopper make a nigga jump a 10 foot wall
God shit, I'm on my Kanye
Bad bitch she my Kim K
Legend is that he made a million dollars
But the nigga really started with a four way
Whom shall I fear, nigga
The plug say it's no limits
I sent the man right here, nigga
Snatch a partner out of state pen
Hallejulah, amen
Put it on water from the sink
Hope it wash away the sin, nigga
The foe just touchdown
Met him at the Sand Trap West End, niggaI'm a God in the hood, nigga
I'm a God in the hood, nigga
I'm a God in the hood, nigga
I'm a God in the hood, niggaYoung 5'8 tall like he 10 feet tall
Chopper make a nigga jump a 10 foot wall
Young 5'8 tall like he 10 foot tall
Chopper make a nigga jump a 10 foot wall
