

Out of This World

[Jamie Cullum](#)

You're clear out of this world
When I'm looking at you
I hear out of this world
The music that no mortal ever knew You're right out of a book
The fairy tale I read when I was so high
No armored knight out of a book
Would find a more enchanted Loralie then I After waiting so long for the right time
After reaching so long for a star
All at once from a long and lonely night time
And despite time, here you are I cry, out of this world
If you said we were through
So let me fly out of this world
And spend the next eternity or two with you After waiting so long for the right time
After reaching so long for a star
All at once from a long and lonely night time
And despite time, here you are I cry, out of this world
If you said we were through
So let me fly out of this world
And spend the next eternity or two with you Clear out of this world
Clear out of this world
Clear out of this world
Clear out, clear out
