Strange

Joan Armatrading

Strange
How everything feels so strange
Since you walked out on meI should be feeling blue
I should be feeling sad
But strange
So strange
I'm not crying over youStrange how this place
Once too small
No room to breathe
Now overpowers meNow I'm free to choose
I only see the walls
Closing in on me
So strange
So strange
I'm not missing youWhen I was a girl
I dreamed about you
And for a while
You made my life a dream
But now it's all over
And it all seems soStrange
How the real stories end
No happy ever after
No beginning againStrange
So strange
So strange
I'm not missing you
