

# My Deliverer

Mitch McVicker

I was so helpless  
Where did the light go  
I had no hope left  
Deep down in my soul

[chorus]

I was watchin'  
I was waitin'  
I was prayin'  
I was stayin' down on my knees  
That's right where you found me

My deliverer, you rescued me from all that held me captive  
My deliverer, you set me free  
Now I'm alive and I can live  
So every moment I will give you praise  
My deliverer  
Ooh my deliverer

There's no pretending  
I can't do it myself  
I'm so dependent  
Lord I need your help

[chorus]

My deliverer, you rescued me from all that held me captive  
My deliverer, you set me free  
Now I'm alive and I can live  
And every moment I will give you praise

La la la la I need you  
You know whatever I'm goin' through

[chorus]

My deliverer, you rescued me from all that held me captive  
My deliverer, you set me free  
Now I can live  
My deliverer, I'm no longer captive

My deliverer, you gave your life that I might live  
So every moment I will give you praise  
Yeah my deliverer  
I'm gonna give you praise  
I'm gonna give you praise  
My deliverer
