

# (our Love) Don't Throw It All Away

Jennifer Love Hewitt

Maybe I don't wanna know the reason why  
But lately you don't talk to me  
And baby, I can't see me in your eyes  
I hold you near but you're so far away  
And it's losing you I can't believe  
To watch you leave and let this feelin' die  
You alone are the livin' thing that keeps me alive  
And tomorrow if I am here without your love  
You know I can't survive  
Only my love can raise you high above it all  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away  
Don't throw it all away  
We can take the darkness and make it full of light  
Let your love flow back to me  
How can you leave and let this feeling die?  
This happy room will be a lonely place when you are gone  
And I won't even have your shoulders for the cryin' on  
No other man's love could be as true, I'm beggin' you  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away our love, our love  
Don't throw it all away our love  
Don't throw it all away our love, our love  
Don't throw it all away our love  
(You alone are the living thing)  
That keeps me alive  
(And tomorrow if I am here without your love)  
You know I can't survive  
(Only my love)

Can raise you high above it all  
(So high above it all, so high above it all)  
Don't throw it all away our love our love  
Don't throw it all away our love  
Don't throw it all away our love our love  
Don't throw it all away our love  
Don't throw it all away, don't throw it all away  
Don't throw it all away  
La la la
