

# Fist Heart Mighty Dawn Dart

[Ty Segall](#)

Fist Heart Mighty Dawn Dart  
In some way our  
Slain our yours  
Stone eyes  
Drill for wealth lies  
In some way our  
Fate is one Funny how the day comes  
Funny how the day comes  
Funny how the day comes  
Slow  
Funny how the day comes  
Funny how the day comes  
Funny how the day comes  
So  
Fist Heart Mighty Dawn Dart  
At a glance our  
Dance is one  
Sun liege  
By your star trees  
Could you please heart  
Cleanse our shores  
Funny how the day comes  
Funny how the day comes  
Funny how the day comes  
Slow  
Funny how the day comes  
Funny how the day comes  
Funny how the day comes  
So
