Anything Can Happen

Finn Brothers

Day
Has begun
And I stumble
To the front
There's no
Real control
Of a random
EventAnd I will take my chances
Cause anything can happen
I don't believe it's over
Cause anything can happenI could never
Give it up
I could never relent
And I can't
Wait to see
What will happen
To me nextI will take my chances
Cause anything can happen
I don't believe it's over
Cause anything can happenIt doesn't matter
What we did wrong
Makes no difference
To me
I see the light in your eyes
And you're dancing freeAnd I'm coming down today
To gather in the pieces
Give in to the mysteryAnd I will take my chances
Cause anything can happen
Don't believe it's over
Cause anything can happenOne day, I
Someday, IAnything can happen
Yeah, anything can happenI will make it shine
I will make it rain sometime
