

I Can See for Miles

Lord Sitar

I know you've deceived me, now here's a surprise
I know that you have 'cause there's magic in my eyes
I can see for miles and miles and miles and miles and miles

Oh yeah
If you think that I don't know about the little tricks you've played
And never see you when deliberately you put things in my way

Well, here's a poke at you
You're gonna choke on it too
You're gonna lose that smile

Because all the while
I can see for miles and miles
I can see for miles and miles
I can see for miles and miles and miles and miles and miles

Oh yeah
You took advantage of my trust in you when I was so far away
I saw you holding lots of other guys and now you've got the nerve to say
That you still want me
Well, that's as may be
But you gotta stand trial

Because all the while
I can see for miles and miles
I can see for miles and miles
I can see for miles and miles and miles and miles and miles

Oh yeah
I know you've deceived me, now here's a surprise
I know that you have 'cause there's magic in my eyes
I can see for miles and miles and miles and miles and miles

Oh yeah
The Eiffel Tower and the Taj Mahal are mine to see on clear days
You thought that I would need a crystal ball to see right through the haze
Well, here's a poke at you
You're gonna choke on it too

You're gonna lose that smile

Because all the while
I can see for miles and miles
I can see for miles and miles
I can see for miles and miles and miles and miles and miles
And miles and miles and miles and miles
I can see for miles and miles
I can see for miles and miles
I can see for miles and miles
I can see for miles and miles
