

We Aite (wake Your Mind Up)

Kid Cudi

This one's for Amile
We, we, we aite, aite, aite
We, we aite, aite, aite
We, we, we aite
Come and make your mind up, aite
To wake your mind up, aite
It's time to make your mind up, aite
To wake your mind up, aite
Aite, aite we, we aite, aite
We, we, we aite, aite
We, we, we aite, aite
We, we aite, aite
Wake your mind up
To wake your mind up, we aite
We, we, we aite
