Front 2 Back

Playgroup

JC got the disco lightsâ€š
The strobe lights
The party lights
This is how it goes

Somebody tell me where the party at
Where the place is live and the hot girls is at
Where this dog can find himself a kitty cat
Where we can lose our minds like we don't know how to act

Let me know if you see her
Let me know if we're closeâ€š let me know if we're near
If not the maybe we can go somewhere
There's a party over hereâ€š there's a party over there

Yeah that's what I thought
And if you're at the party then we'll pop the cork
You know I speak the truth
You know the place is hotâ€š the fire's on the roof
Everybody jumpinâ€š everybody movin' cause the bass is thumpin'
Now make some noiseâ€š
You bring the girls I'll bring the boys

(Chorus:)
Yahooâ€š yahoo
Yahooâ€š yahoo
Yahooâ€š yahoo
Yahooâ€š yahoo
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise

Ohâ€š now we're here
Dancers sweat from the front to the rear
I feel the vibeâ€š be one cause it's a peoples trial

Hipâ€š House and Jazz percussion and bassâ€š
It's a razz-a-ma-tazz
Just feel the flavaâ€š jump right in cause it's a live saver
No special behavior is requiredâ€š do it until your tired
Then get wired and jump right in my friend and do it again

(Chorus:)
Yahooâ€š yahoo
Yahooâ€š yahoo
Yahooâ€š yahoo
Yahooâ€š yahoo
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise
And do it again

(Bridge)
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise
Let me know where its at
Make some noise from the front to the back
Let me know where its at
Make some noise
Jumpâ€š jumpâ€š yeah

There's a party over here
There's a party over there
There's a party over here
There's a party over there

(Chorus:)
Yahooâ€š yahoo
Yahooâ€š yahoo
Yahooâ€š yahoo
Yahooâ€š yahoo
There's a party over here
There's a party over there
There's a party over here

There's a party over there
