

You Never Mattered (Fuck Love) (Unreleased Track)

Ms Krazie

See I used to be the type of mija that used
To get fucked up over love
With tequila in my cup
And I went off mad at the world
And everybody in it
Down a couple shots
with the motives till I finish
Bottles up cuz I thought about the times
You used to hold me
Cry all night long over some stupid shit you told me
Talking on the phone with my best homegirl
Asking if she saw you with some other girl
And said it all remained the same you were a perro
But I guess I didn't know it back then
Ya que me acuerdo
It didn't matter if i was the envy of the hood
My homitas let me know that you was up to no good
but I smiled cuz I thought
Nahh this can't be true
When in fact y te mire
I always knew
And what was I supposed to do
When daily you treated me like shit
and you were tryna act all crazyIt never mattered what the fuck I meant to you
It never mattered all the shit that we went thru
So go ahead and do your thing all you want now
Cuz I don't give a fuck
You ain't got me waitin up
It never mattered all the things that you told me
It never mattered all the times you used to hold me
So go ahead and talk your shit all you want now
I'm saying fuck love so puto shut the fuck upGo ahead and talk about your babosadas
I ain't loosing sleep talking bad behind my cara
That I'm a big time freak
Shit is that supposed to hurt me
Thanks to you
I got a gang of vatos tryna get to know me
But let me break this down
Pa que entiendas what Im sayin

You tryna play the victim
That's ok foo I ain't playin
You stupid muthafucka
I'm just making sure you heard me
Putting me on blast
yes you thought that would of hurt me
But hell nah
And ill play dirty like that
If you want to
Telling all your homies how the many times I fucked you
I guess you se te olvido decirles algo
You never made me cum
Ni si quiera de milagro
But chales I know you couldnt let them know
That you say that you can handle it right
But you don't own that
Mijo keep lying to yourself about what happened
This used to be between us
but right now you got me laughing It never mattered what the fuck I meant to you
It never mattered all the shit that we went thru
So go ahead and do your thing all you want now
Cuz I don't give a fuck
You ain't got me waitin up
It never mattered all the things that you told me
It never mattered all the times you used to hold me
So go ahead and talk your shit all you want now
I'm saying fuck love so puto shut the fuck up I guess you probly thought I would of kept cryin
I guess you probly thought I would of kept tryin
To get a hold of you
So I could get you back
But in too busy with my people
tryna make that stack
And count that feria
Stroll around like it ain't nada
So im not gonna waist my vida with a chavala
Y mi lana yeah that's on top of it all
And from the word on the streets is you wishin I fall
Isn't it funny how you try hacer me dano
Paybacks a bitch
Now eres tu el acabado
El awitado
Thats really funy to me
Cuando presumes de una ruca
que no se compara a mi
She a hoodrat y se lo digo en su cara

Ain't nada to be jealous about pobre chavala
Actions speak louder than words
So best you learn it
You can have your shit back
Estupido I already burned it It never mattered what the fuck I meant to you
It never mattered all the shit that we went thru
So go ahead and do your thing all you want now
Cuz I don't give a fuck
You ain't got me waitin up
It never mattered all the things that you told me
It never mattered all the times you used to hold me
So go ahead and talk your shit all you want now
I'm saying fuck love so puto shut the fuck up
