Say Anything You Want

Liz Longley

It's no mystery, you don't see me
you don't see me for who i am
no matter what I do, I can't with you
I can't win with and I'll never understand
all my life and I'll never understandyeah you're gonna run your mouth
ooh, you try to pull me down
but I'm gonna tune you out
so you can say anything you want
yeah you can say anything you wantwell that's the price I way, to make my own way
to make my way on an unbeaten path
and all your cray talk, ill just shake it off
ill shake it off and i won't look back
you'll be talking and ill never look backyeah you're gonna run your mouth
ooh, you try to pull me down
but I'm gonna tune you out
so you can say anything you want
yeah you can say anything you wantcome on and say it, say it
say what you will about me
come on and say it, say it
I bet it makes you feel goodyeah, yeah, yeah
yeah, yeah, yeahyeah you're gonna run your mouth
ooh, you try to pull me down
but I'm gonna tune you out
so you can say anything you wantyeah you're gonna run your mouth
ooh, you try to pull me down
but I'm gonna tune you out
so you can say anything you want
yeah you can say anything you want
about me
you can say anything you want
