

Congregation of Sorcerer's

Cathedral

Born in the casket of society's decay
On your knees to be rewarded with strife
Born in the casket of society's decay
On your knees to be rewarded with strife
Grim obsession with the afterlife Unification of the magical ones
Congregation in the far off skies Conformist slaves, trapped in earth's cage
Grave acceptance of plastic lies
Conformist slaves, trapped in earth's cage
Grave acceptance of plastic lies
In the church of your brains demise Unification of the magical ones
Congregation in the far off skies Bone made chariot, carry this lost soul
Past the stars beyond lampblack skies
Bone made chariot, carry this lost soul
Past the stars beyond lampblack skies
To where the sorcerers of life we'll find Unification of the magical ones
Congregation in far off skies
