

# Let's face the music and dance

**Nat King Cole**

There may be trouble ahead  
But while there's moonlight and music  
And love and romance  
Let's face the music and dance Before the fiddlers have fled  
Before they ask us to pay the bill  
And while we still have the chance  
Let's face the music and dance Soon, we'll be without the moon  
Humming a different tune and then There may be tear drops to shed  
So while there's moonlight and music  
And love and romance  
Let's face the music and dance  
Let's face the music and dance Soon, we'll be without the moon  
Humming a different tune and then There may be tear drops to shed  
So while there's moonlight and music  
And love and romance  
Let's face the music and dance  
Let's face the music and dance
