Nice and Slow

THE BAWDIES

Love won't bring me downLove can make me all better
Love can make me all right
Love can give me wings to fly
C'mon babe, let's get highLove can make you all better
Love can make you all right
Love can give you wings to fly
C'mon babe, let's get high
Fly 'round in the skyLove won't let you be, girl
Grab my handIt can be you and me
We can take it nice and slow
It can be you and me
Love can be nice and slow
Love can be forever
Love can be forever, girlI can make you feel better
I can make you feel right
Don't you think about forever?
We can make it there tonight
C'mon babe, let's get high
Fly 'round in the skyLove won't let you be, girl
Grab my handLove won't let you be, girl
Be with me tonightIt can be you and me
We can take it nice and slow
It can be you and me
Love can be nice and slow
Love can be forever
Love can be forever, girlLove won't bring me downIt can be you and me
We can take it nice and slow
It can be you and me
Love can be nice and slow
Babe you are the one for me
So let's let the loving flowLove can be forever
Love can be forever, girl
