

Great Moyola River

Sean Wilson

On the great moyola river where anglers
sport and play
Along the banks young lovers
Still pass the time away
Let the anglers have there pleasure
And the lovers have there dreams
But give to me moyola where itâ€™s just a
Little stream

Chorus

Flow on silver waters
Flow on through ballinascreen
For a little while Iâ€™m strolling
Where moyolaâ€™s just a stream

Let me ramble oâ€™r the mountains
Where natureâ€™s still unspoiled
And gaze down on the valley
Where colmcille once toiled
Where the little church of Patrick
Can easily be seen
Close to where that river is just a little
Stream

Let me ramble over the heather
Where the hares and rabbits run
Let me hear the lighter of the children having
Fun

Take me the over to gortin from the cross of
Ballinascreen
Youâ€™ll cross that mighty river where itâ€™s just
A little stream
(Chorus again)

When the sun sets over Erin
The land st Patrick blessed
Weâ€™ll go for recreation into the shepherds
Rest
Where the hills of carn and nelly
In the pale moonlight they gleam
Across the great moyola where itâ€™s just a little

Stream
And when my life is closing Iâ€™ll say to take my
Pen
And write a few short phrases of a lifetime
In the glen
And lord if you donâ€™t take me and in your home
Sereen
Just lead me by that river where itâ€™s just a
Little stream
