Anything Is Possible

Debbie Gibson

Anything is possible
If you put your mind to it
Anything is possible
Just put your mind to it
Anything is possible
If you put your mind to it
Anything is possible
Thought I couldn't slow him down
Long enough to look my way
Thought he was out of my league
Wouldn't give me time of day
Thought he was like all the rest
Love her, leave her, no remorse
But I guess that I misjudged
And this thing just ran its course
He taught me
Anything is possible
If you put your mind to it
Anything is possible
Just put your mind to it
Anything is possible
If you put your mind to it
Anything is possible
Break it down now
No matter what it is, it's possible
Say, anything is possible
(Anything)
No matter what it is, it's possible
Say, anything is possible
(Anything)
No matter what it is, it's possible
Say, anything is possible
(Anything)
No matter what it is, it's possible
Say, anything is possible
Much to my surprise I felt
A warm, not cold vibe
When he looked in my eyes
(Oh yeah, it's possible)

His bad boy front not charm
Was his disguise
Oh, whoa, whoa
(Let me tell ya)
He read so much into me
Listened so attentively
He liked me, I rest my case
Wasn't just a pretty face
If you set your mind
You can do anything you want
Not every guy is a bad guy, don't stereotype
'Cause this guy, he proved me wrong
(Anything is possible)
He taught me
Anything is possible
Just put your mind to it
If you put your mind
You know you can do anything
Anything
Anything is possible
Anything is possible
Anything is possible
Just put your mind to it
Anything is possible
If you put your mind to it
