

Watch Over Me

Bernard Fanning

When trouble fills my world you bring me peace
You calm me down, you're my relief
When walls come crashing down around my feet
You light my way, you're my release So say you'll watch over me
When I'm in too deep
Tell me you'll always be
There to pull me free When the sun is beating down upon my brow
You are my shade, you cool me down
Every time I tried to turn away
You brought me 'round your humble way So say you'll watch over me
When I'm in too deep
Tell me you'll always be
There to pull me free
There to rescue me For every time you sheltered me from harm
You showed me truth you kept me warm
Every time you left me on the street
I found my way, I found my feet So say you'll watch over me
When I'm in too deep
Tell me you'll always be
There to pull me free
There to rescue me
There to pull me free
There to rescue me
