Watch Over Me

Bernard Fanning

When trouble fills my world you bring me peace
You calm me down, you're my relief
When walls come crashing down around my feet
You light my way, you're my releaseSo say you'll watch over me
When I'm in too deep

Tell me you'll always be

There to pull me freeWhen the sun is beating down upon my brow You are my shade, you cool me down

Every time I tried to turn away

You brought me 'round your humble waySo say you'll watch over me

When I'm in too deep

Tell me you'll always be

There to pull me free

There to rescue meFor every time you sheltered me from harm

You showed me truth you kept me warm

Every time you left me on the street

I found my way, I found my feetSo say you'll watch over me

When I'm in too deep

Tell me you'll always be

There to pull me free

There to rescue me

There to pull me free

There to rescue me
