

# Au Revoir

## En?gma

Everything you say is so predictable

Your words don't mean a thing

Blah blah blah

Why the masquerade?

You think you're funny but you never entertain

Ha ha-ha ha-ha

I'll never be your appetiser melting on your tongue

Here's the simple truth boy you just don't turn me on

So you think you're something special oh-oh-oh

And you claim to be the next best movie star

So superficial oh-oh-oh

I don't buy your show

Au revoir

Why (bye bye)

Au-au-au-au-au-au revoir

Au revoir

Why (bye bye)

Au-au-au-au-au-au revoir

Au revoir

Always centre stage

Not ashamed to say

You're fishing for the fame

Ah ah-ah ah-ah

Boy you're not a saint

Not irresistible in any kinda way

Ah ah-ah ah-ah

I'll never be your appetiser melting on your tongue

Here's the simple truth boy you just don't turn me on

So you think you're something special oh-oh-oh

And you claim to be the next best movie star

So superficial oh-oh-oh

I don't buy your show

Au revoir

Let's keep it confidential oh-oh-oh

Boy you wanna show the world how cool you are

No no potential oh-oh-oh

I don't buy your show

Boy, you're not breaking the ice

Hey, stop telling me lies  
You're not one of a kind  
Hey, stop telling me lies  
    Au revoir  
    Why (bye bye)  
    Au-au-au-au-au-au revoir  
    Au revoir  
    Why (bye bye)  
    Au-au-au-au-au-au revoir  
    Au revoir  
    You think you're something special  
    And you claim to be the next best movie star  
        So superficial  
        I don't buy your show  
        Au revoir  
        Let's keep it confidential oh-oh-oh  
    Boy you wanna show the world how cool you are  
        No no potential oh-oh-oh  
        I don't buy your show  
        Au revoir  
        Why (bye bye)  
    Au-au-au-au-au-au revoir  
        Au revoir  
        Why (bye bye)  
    Au-au-au-au-au-au revoir  
        Au revoir
