

Walk On By

Daniel O'Donnell

If I see you tomorrow on some street in town
Pardon me if I don't say hello
I belong to another and it doesn't look so good
To know someone I'm not supposed to know Just a walk on by, wait on the corner
I love you but we're strangers when we meet
Just a walk on by, wait on the corner
I love you but we're strangers when we meet In a dimly lit corner at a place outside of town
Tonight we'll try to say goodbye again
But I know it's not over, I'll call tomorrow night
I can't let you go, so why pretend? Just a walk on by, wait on the corner
I love you but we're strangers when we meet
Just a walk on by, wait on the corner
I love you but we're strangers when we meet
