

Share My Banana

Dirty Crabber

Down south there's a monkey, that's swinging on a vine in the jungle.
His name is Jacob, that's a funny name for a monkey.
One day he found him a lady, she was climbing on a tree.
She was Latidra, that's a funny name for a monkey.
That's a funny name for a monkey. He loves Latidra like a child in love with some candy.
She makes sweet Jacob feel fresh like a fifth of brandy.
He wants to share his banana, he wants to share it all with her.
The fair Latidra doesn't know just what to do.
She don't know just what to do.
Get crazy with your banana! Chorus
Monkey see, monkey do, I wanna share my banana with you.
Monkey see, monkey do.
Monkey see, monkey do, I wanna share my banana with you
Monkey see, monkey do.
I wanna share my banana, share it all with you.
I wanna share my banana, make this love so true.
I wanna share my banana, share it all with you.
I wanna share my banana. They live so happy on a branch in a tree in the jungle.
They got the rhythm and they know just what to do.
He wants to share his banana, he wants to share it all with her.
The fair Latidra doesn't know just what to do.
She don't know just what to do.
Get crazy with your banana!
