Dandy (feat. Yola B.)

Parov Stelar

She's just a dandy girl
on the quest to rule your world
and drive you crazy.You feel swinging mood,
victim of her attitude.
a secretive lady.A dandy girl,
she's a dandy girl,
she's a dangerous lady.
Better hit the road,
or run away...
or she'll get you...When you touch
you know what she's about and...
you know what she's about and...She's still a dandy girl
with the heart to fill the world,
she needs affection.Someone to touch,
someone to hold,
someone to keep her (on her toes).Better hit the road
or run away,
or she'll get you shaking,
Under despair and
it could be hell
or it would be
cause when you touch
you know what she's about and..
you dare to see,
you know what she's about and...
you dare to feel...
a dandy girl
she's a dandy girl,
she's a beautiful lady,
a dandy girl
she's a dandy girl,
she's a beautiful lady...
