

# When 20 Summers Pass

## Shelter

Ie got to concentrate on priorities.  
Can negate what means the most to me.  
What our fate?  
What our destiny?  
Start with each moment activity.  
I try, I try, I try, I try  
But what important slips right by.  
When 20 summers pass and theyl go fast.  
Will I look back and be satisfied within my heart  
And at peace within my mind?  
When 20 summers fly, fly on by  
Will I like what I am and who I am or will I even give a damn?  
We focus time on what matters least and our reward, a catastrophe.  
Looking back, what feels good to me?  
Oh, the value of integrity.
