Meant To Be

Yngwie Malmsteen

I've been searching all my life I've been hurting living lies In the dark trying to find true loveIn my heart No time to lose Goodbye to bluesWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see We were meant to be We're walking through fire We're stronger than steelJoined our souls now we're free Reached our goals we finally see Yesterday we lived in sorrow Today for tomorrowNo time to lose Goodbye to bluesWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see We were meant to be We're walking through fire We're stronger than steelWalking through fire We're stronger than steelNo time to lose Goodbye to bluesWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see We were meant to be We're walking through fire We're stronger than steelWhy can't you see
