Alone

[King's X](#)

No one should be made to feel rejected
And to feel the pain
No one should be made to feel unwanted
And to feel the hateSticks and stones, breaking bones
Names and words, they hurt you
Effecting everything
No one should be made to feel aloneNo one should be made to feel their heart break
And to feel unloved
No one should be made to feel they're ugly
And to feel ashamedSticks and stones, breaking bones
Names and words, they hurt you
Effecting everything
No one should be made to feel alone
No one
