

Hollywood [Extended Dance Mix]

Red Hot Chili Peppers

Take me back
Hold my hand
All the way back
To the brotherland
Take me back
I want to go back

Take me back
And my funky ass band
All the way back
To the brotherland
Take me back

I want to go
As fast as I can
Slidin' on back
To the brotherland
Now children
Hollywood

I want to get up and go
With my funky ass jams
All the way back
To the brotherland
Take me back
I want to go back

Hollywood

Where the women
Is the women
And the man
Is the man

I want to go
As fast as I can
Slidin' on back
To the brotherland
Now children
