

# Love Fool

## New Found Glory

Dear, I fear we're facing a problem  
You love me no longer, I know  
And maybe there is nothing  
That I can do to make you do  
Mama tells me I shouldn't bother  
That I ought to stick to another girl  
A girl that surely deserves me  
But I think you do  
So I cry and I pray and I beg  
Love me, love me, say that you love me  
Fool me, fool me, go on and fool me  
Love me, love me, pretend that you love me  
Leave me, leave me, just say that you need me  
So I cried and I begged for you to  
Love me, love me, say that you  
love me  
Leave me, leave me, just say that you need me  
I can't care about anything but you  
Lately I have desperately pondered  
Spent my nights awake and I wonder  
What I could have done in another way  
To make you stay  
Reason will not pledge a solution  
I will end up lost in confusion  
I don't care if you really care  
As long as you don't go  
So I cry and I pray and I beg  
Love me, love me, say that you love me  
Fool me, fool me, go on and fool me  
Love me, love me, pretend that you love me  
Leave me, leave me, just say that you need me  
So I cried and I begged for you to  
Love me, love me, say that you  
love me  
Leave me, leave me, just say that you need me  
I can't care about anything but you  
Anything but you  
Love me, love me  
Fool me, fool me  
Love me, love me  
I can't care about anything but you
