

# Candles

## Dirty Vegas

You're going down and it feels good  
But you ain't wearing what you should  
All the people that you've had  
The time is overCount your blessings, count the times  
You forgot their names commit the crimes, yeah  
All the people that you've had  
The time is overOh, it's time to make amends  
You've been burning the candle at both ends  
Oh, it's time to make amends  
You've been burning the candle at both endsOh, it's time to make amends  
You've been burning the candle at both ends
