With All Of My Heart

ZOEgirl

Zzzz Oooo Eeee Ggggg Iiii Rrrr Llll, Zoe Girl, Zoe Girl, Life, Life, Not just life, eternal lifeYou know I can't explain this feeling
It's almost like I'm dreaming this reality
You know You give me such a freedom
I finally found the way home
I'm right where I belong
Ever since the day I prayed
You into my heart I placed
Every bit of me into Your hands
Lord, I'm here to stayWith all of my heart
I'm gonna love You
With all of my soul
I'll put all my trust in You
With all of my strength
I'm standing beside You
With all of my everything
I will worship You, my king
With all of my heart
With all of my heartOh, Lord, I can't define You
Who am I to know You the way I do?
From now until forever
I promise I will never, never let You go
Lord, I want to be the one
After all is said and done
From now til eternity
I'm yours faithfullyWith all of my heart
I'm gonna love You
With all of my soul
I'll put all my trust in You
With all of my strength
I'm standing beside You
With all of my everything
I will worship You, my king
With all of my heart
With all of my heartEvery night when I close my eyes
I am amazed at how You've blessed my life in every way
I'm mystified by Your great love
Nothing compares to having You near
Every day I'll love You more than the day beforeWith all of my heart

I'm gonna love You
With all of my soul
I'll put all my trust in You
With all of my strength
I'm standing beside You
With all of my everything
I will worship You, my kingWith all of my heart
I'm gonna love You
With all of my soul
I'll put all my trust in You
With all of my strength
I'm standing beside You
With all of my everything
I will worship You, my kingWith all of my heart
I'm gonna love You
With all of my soul
I'll put all my trust in You
With all of my strength
I'm standing beside You
With all of my everything
I will worship You, my king
