

Middle of the Night

LANCO

Middle of nowhere
Middle of the night
Middle of nowhere
In the middle of the night, night, nightHey
Picked you up at seven
Driven all the world revving
You need to be back by 11
But time don't stand still on this side of heaven (Hey)
You had a little red dress on (Oh mercy)
The only thing I could shout (Change the station)
To an Alabama song, loud (Hey)
And we gassed it up and we headed out (Hey)
Middle of nowhere
Middle of the night
Wild and high, all in love
Like it don't get twice
We didn't need the city
Or the neon lights
Just the middle of nowhere
In the middle of the night
Middle of nowhere
Middle of the night
Middle of nowhere
In the middle of the night, night, night
You were dancing by the oak tree
When you looked right at me
And you pointed to the cold creek
And said "Hey boy, come and follow me" (Hey, Hey)
It had a dangerous grin
When your silhouette jumped in
Little chill bumps on our skin (Hey)
Well I was the hottest I had ever been (Hey, Hey)Middle of nowhere (Middle of nowhere)
Middle of the night (Middle of nowhere)
Wild and high, all in love
Like it don't get twice (Middle of the night)
We didn't need the city (Middle of)
Or the neon lights (Middle of)
Just the middle of nowhere
And the middle of the nightWhen this old world gets you down

There's a place I know outside of town
We can get lost and we'll be found
In the, in the...In the middle of nowhere
 Middle of the night
 Wild and high, all in love
 Like it don't get twice
 We didn't need the city
 Or the neon lights
Just the middle of nowhere
 In the middle of the night
 In the middle of the night
 Aw, yeah
 Middle of nowhere
 Middle of the night
 Middle of nowhere
 In the middle of the night, night, night
