

You're Gone

Diamond Rio

I said, "Hello, I think I'm broken" and though I was only jokin'
It took me by surprise when you agreed
I was tryin' to be clever, for the life of me I never
Would have guessed how far the simple truth would lead
You knew all my lines, you knew all my tricks
You knew how to heal that pain no medicine can fix And I bless the day I met you and I thank God that he let
you
Lay beside me for a moment that lives on
And the good news is I'm better for the time we spent together
And the bad news is you're gone Lookin' back it's still surprisin', I was sinking, you were rising
With a look you caught me in mid-air
Now I know God has his reasons but sometimes it's hard to see them
When I awake and find that you're not there
You found hope in hopeless, you made crazy sane
You became the missing link that helped me break my chains And I bless the day I met you and I thank God that
he let you
Lay beside me for a moment that lives on
And the good news is I'm better for the time we spent together
And the bad news is you're gone, the bad news is you're gone You're gone
You're gone
You're gone
