

# Young Girl/I Really Like You

## Pharrell Williams

(You know)

(you know listen to me)Mama help I fell in love with a young girl(thats true, so true)  
(you're the only girl I love to)My heart was soaken and I broken in a young world(so true, so true, listen)I  
wasn't tryin to lead her on  
See I didn't wanna be alone

But when she smiles she brought me home

So I brought her home,

Its not that the fealin of love is gone

Can't expect a kind little girl to be grown

I can't give a fuck what so and so says

Crushes hurt both waysWhat on earth, what I'm suppose to do

What on earth, what I'm suppose to do

What on earth, what I'm suppose to do

Somebody tell me what I'm suppose to doMama help I fell in love with a young girl!What on earth, what I'm  
suppose to do

Young girl, so in love with you

What on earth, what I'm suppose to do

What on earth, what I'm suppose to do

What on earth, what I'm suppose to do

Somebody tell me what I'm suppose to doMy heart was soaken and I broken in a young world!What on earth,  
what I'm suppose to do

Young

Young girl, so in love with youThe single girls are out tonight

But you have one word, my heart, one life

And I'm not lookin around

So why you lookin down

(what you lookin down for?)I fucked up a long time ago

See I should have never let you know

See I couldnt give a fuck what tabloids say

(as the people magazine)

And crushes hurt both waysWhat on earth, what I'm suppose to do

What on earth, what I'm suppose to do

What on earth, what I'm suppose to do

Somebody tell me what I'm suppose to doMama help I fell in love with a young girl!What on earth, what I'm  
suppose to do

Young girl, so in love with you

What on earth, what I'm suppose to do

What on earth, what I'm suppose to do

What on earth, what I'm suppose to do

Somebody tell me what I'm suppose to do (HOV!) My heart was soaken and I broken in a young world! What on earth, what I'm suppose to do (HOV!)  
Young girl, so in love with you (HOV!)[Jay-Z]  
HOV got a young girl

Still not quite 21  
So high strung  
Such a vibrant thing

You're 19?  
No, you're lighting in a bottle I give you a ring tomorrow  
The scene that follows  
Screens of horror  
Classic Steven King novel  
Mamma don't think you should take someone so advanced in romance  
You should just wait  
Pappa don't preach  
HOV don't bite  
Hoping through it I might mo your life  
'cause ima show you right  
Proper etiquette how to hold your knife  
Keep it competitive with Oprah's ice  
Be like Janet, take control of your life What on earth, what I'm suppose to do  
(young girl)  
What on earth, what I'm suppose to do (young girl)  
What on earth, what I'm suppose to do  
(young girl)  
Somebody tell me what I'm suppose to do  
(young girl) Mama help I fell in love with a young girl! What on earth, what I'm suppose to do  
(to young, I'm never to young)  
Young girl, so in love with you  
('cause I'm never to young)  
What on earth, what I'm suppose to do  
(to young, I'm never to young)  
What on earth, what I'm suppose to do  
('cause I'm never to young)  
What on earth, what I'm suppose to do  
(to young, I'm never to young)  
Somebody tell me what I'm suppose to do  
('cause I'm never to young!) My heart was soaken and I broken in a young world! What on earth, what I'm suppose to do  
Young girl, so in love with you (this is where the story begins baby)
