Walk With Me Through Forever

Matt Wahl

I've been thinkin' lately about time
We've been workin', savin' every dime
In the end what good does it do?
We sure can't buy an extra day or two

So I've been thinkin' baby, why not now
What good is this rat race, anyhow
Let's find a place where we can unwind
And leave this crazy world behind

[Chorus:]
So grab my hand and take a walk with me
We'll go and sit under a tall palm tree
Watch the sun sink into the sea
Let's really start livin' together
Come on let's share a laugh or two
It doesn't really matter what we do
As long as I'm standin' next to you
Take a walk with me through forever

We can wake up with sun and play
Lie in bed and sleep the day away
With the waves lappin' on the shore
We'll close the shutters and do so much more

[Repeat Chorus]

[Instrumental bridge]

We'll spend the days just bein' you and I
Lyin' underneath the sunny sky
And the nights out with the moon and stars
Finally bein' who we are

[Repeat Chorus]

Take a walk with me through forever
