

Versus (Kindle Remix)

Ladytron

Distance versus time,
cutting verses down to size.
Focus versus tears versus
"How did I get here's"
versus curses in your eyesForce of nature versus range,
nature versus what is strange
"There's a fire starting here"
versus "There's nothing to fear"
versus lonely versus safeLike a kitten versus rain
A cathedral versus love versus shame
Free versus hard to see
versus, versus, versus me versus me
