

Didn't I (Blow Your Mind This Time)

[Aretha Franklin](#)

I gave my heart and soul to you, boy
Didn't I do it, baby didn't I do it baby
I gave you the love you never, ever knew, boy, oh
Didn't I do it, baby, didn't I do that baby I've cried so many times and that's no lie
It seems to make you laugh each time I cry Didn't I blow your mind this time, didn't I (yes you did, yes you did,
yes you did)
Tell me didn't I blow your mind this time, didn't I (yes you did, yes you did, yes you did) I thought that love of
yours was true, boy
Didn't I think that baby, you know that I thought that baby
But this time I'm really leavin' you boy oh
Don't you know that baby, I know you know that baby Ten times or more, I've walked out that door (ten times
or more you walked out that door, yes I did)
But just make sure you'll get it straight this time, baby there will be no more Didn't I blow your mind this time,
didn't I (yes you did, yes you did, yes you did)
Oh, didn't I blow your mind this time, didn't I (yes you did, yes you did, yes you did) (Didn't I do it to you,
didn't I do it to you, didn't I do it to you, didn't I do it)
(Didn't I do it to you, didn't I do it to you, didn't I do it to you, didn't, didn't I, I do it) Oh how many times that I
walked out that door
(But just make sure you'll get it straight this time, baby there will be no more) Baby can you make it, baby can
you make it
Didn't I blow your mind this time, baby didn't I (oh)
Didn't I blow your mind this time (yes you did, yes you did)
Now didn't I blow your mind this time, didn't I (did I blow your mind, baby)
Blow your mind this time, didn't I, I yes, blow your mind this time, didn't I
