

# We

## Descendents

I don't care what they say  
Those numbers don't mean a thing  
We've got it made  
This world is just me and you  
And we know just what to do  
We've got it made  
Hey everything's gonna be okay  
(We've got it made together)  
Hey, everything's gonna be okay  
(We've got it made)  
I don't care if we get a job  
We've already got a life  
We've got it made  
Chorus  
When I look in your eyes  
I know what I want in life  
Nothing more, nothing less  
Nothing more, nothing less  
(Everything's gonna be okay)  
Nothing more, nothing less  
(Everything's gonna be okay)  
Be the key to my success  
Nothing more, nothing less.
