Family Man

Mike Oldfield

She had a sulky smile

She took a standard pose as she presented herself

She had sultry eyes

She made it perfectly plain that she was his for a priceBut he said, "Leave me alone, I'm a family man

And my bark is much worse than my bite!"

He said, "Leave me alone, I'm a family man

If you push me too far, I just might "She wore hurt surprise

As she re-checked her make-up to protect herself

She showed less than pride

She made it totally clear as she was his for a priceBut he said, "Leave me alone, I'm a family man

And my bark is much worse than my bite!

Please just leave me alone, I'm a family man

If you push me too far, I just might"She gave him her look

That would have worked on any other man in sight

He could not mistake

She wanted to go back with him and spend his nightBut he said, "Leave me alone, I'm a family man

And my bark is much worse than my bite!

Please just leave me alone, I'm a family man

If you push me too far, I just might"She turned, tossed her head and then

She started to make her final exit line

She showed real disdain

As if explaining again she could be his for a priceBut he said, "Leave me alone, I'm a family man

And my bark is much worse than my bite!"

He said, "Leave me alone, I'm a family man

If you push me too far, I just might "But he said, "Leave me alone, I'm a family man

And my bark is much worse than my bite!"

He said, "Leave me alone, I'm a family man.

If you push me too far, I just might "But he said, "Leave me alone, I'm a family man,

And my bark is much worse than my bite!"

He said, "Leave me alone, I'm a family man

If you push me too far, I just might"He said, "Leave me alone, I'm a family man

And my bark is much worse than my bite!"

He said, "Leave me alone, I'm a family man

If you push me too far, I just might!"
