## Black Pistol Fire

Far as I can tell, I don't know  
You'll be gone like a bat out of hell  
Far as I been told, you ain't nothin but a  
Stone cold steppin' stone Bet you never though that I could be the one to let you down  
So go on, use me up  
Every line you cross is another one to bear the D down  
I like it when you play too rough Ooh, ooh  
Like it when you play too rough  
Ooh, ooh  
So tell me when you've had enough  
Like it when you play too rough  
Ooh, ooh  
So tell me when you've had enough  
Separate my heart from my head  
When it's beat up with a clean cup  
So come on read my will, and I'll pay no mind  
Just the way I like it Bet you never though that I could be the one to let you down  
So go on, use me up  
Every line you cross is another one to bear the D down  
I like it when you play too rough Ooh, ooh  
Like it when you play too rough  
Ooh, ooh  
So tell me when you've had enough  
Like it when you play too rough  
Ooh, ooh  
So tell me when you've had enough  
Uh-uh baby, not so fast  
I cant eat again the table in the past  
Uh-uh baby, not so fast  
I cant eat again the table in the past Ooh, ooh  
Like it when you play too rough  
Ooh, ooh  
So tell me when you've had enough  
Like it when you play too rough  
Ooh, ooh  
So tell me when you've had enough
