Morning Bell

Chris Potter

The morning bell
The morning bell
Light another candle and
Release me
Release meYou can keep the furniture
A bump on the head
Howling down the chimney
Release me
Release me
PleaseRelease me
Release meWhere'd you park the car?
Where'd you park the car?
Clothes are on the lawn with the furniture
Now I might as well
I might as wellSleepy jack, the fire drill
Round and round and round and round
And round and round and round
RoundCut the kids in half
Cut the kids in half
Cut the kids in halfDun na na
Dun na na
Dun na na[Inaudible]
Everyone wants to be your friend
And nobody wants to be [inaudible]
Walking, walking, walking walking walking
Walking, walking walking walking
Walking, walking walking walking
Walking, walking walking[Inaudible]
Walking, walking, walking walking walking
Walking, walking walking walking
Walking, walking walking walking
Walking, walking walking
