Got to Get You Into My Life

Chicago

[Repeat: x5]
Got to get you into my life, into my lifeI was alone, I took a ride
I didn't know what I would find there.
Another road where maybe
I could see another sign there.
Oh, then I suddenly see you.
Oh, and did I tell you I need you
Every single day of my life?You didn't run, you didn't lie
You know I want to hold you.
And had you gone you knew in time
We'd meet again for I had told you.
Ooh, you were meant to be near me.
Ooh, I really want for you to hear me
Say we'll be together every day.[Chorus]
Got to get you into my life.
Got to get you in, got to get you into my life
Got to get you into my life
Got to get you into my lifeOh, then I suddenly see you.
Oh, and did I tell you that I need you
Every single day of my life?[Chorus]Got to get you in, got to get you in
Got to get you in, got to get you in
Into my life
Got to get you into my life
