

# One More Time

## Lynyrd Skynyrd

How can you stand there smilin'  
After all you've done  
You know it seems to make you happy  
When you've hurt someone  
Twice before you fooled me  
With your deceivin' and lyin'  
Come in and close the door  
One more time, one more time Yeah you've been gone so long  
No one knows where  
And you say that you still love me  
Then show me you care  
'Cause you got what it takes sweet mama  
To make a man feel fine  
So I'll take the word of a liar  
One more time, one more time Girl you've got me hungry  
Losin' my mind  
I know I'm playin' with fire  
Get burned every time  
Yes I'm a fool for you baby I can't deny  
But I got to have your sweet love  
One more time, one more time Girl you've got me hungry  
Losin' my mind  
I know I'm playin' with fire  
I get burned every time  
Yes I'm a fool for you mama I can't deny  
But I got to have your sweet love  
One more time, one more time
