Free My Mind (RAC Remix) [feat. RAC]

Katie Herzig

My mind is like a heavy hand
Always making more of what really happened
Critical imagination always working over time
Maybe this is what the world will seeA tiny little version of the tallest tree
An optical illusion of the human mind
Posing as a real lifeI never have my mind made up
Before the bomb dropped
And if I ever do decided to take a chance
Oh, the part that keeps me holding onIt be my mind
Awaken my mind
Awaken my mind
Open my eyesFree my mind
Awaken my mind
Awaken my mind
Open my eyesWe like to watch the world go by
Paint pretty picture with the perfect light
Build a happy home to live inside
Work until the sunriseBut I have such a dream to keep
To spend another day counting sheep
Seven in a row will make a week
Enough to disappoint youI never have my mind made up
Before the bomb dropped
And if I ever do decided to take a chance
Oh, the part that keeps me holding onIt be my mind
Awaken my mind
Awaken my mind
Open my eyesFree my mind
Awaken my mind
Awaken my mind
Open my eyesNever had my mind made up
No, I never had my mind made up
No, no, never had my mind made up
Never had my mind made up
Never had my mind madeNever had my mind made up
No, I never had my mind made up
Oh no, never had my mind made up
Never had my mind made up
Never had my mind madeIt be my mind
Awaken my mind

Awaken my mind
Open my eyesFree my mind
Awaken my mind
Awaken my mind
Open my eyesFree my mind
Awaken my mind
Awaken my mind
Open my eyesFree my mind
Awaken my mind
Awaken my mind
Open my eyes
