Part of Me

Tedeschi Trucks Band

[Chorus]
Take me
Back 2 the day when you made me fall
I want 2 go, Iwant 2 go
Make me feel like you did
The very first time we ever touched
I want 2 go let just go

[Teedra]
Winter's here
Ain't I ain't mad about it
I just wanna lay with you in the late nights getting warm
We find less and less time 2 get 2gether
But that ther's whatever
See 2night is for you and I yeah
We gotta take it back 2night

(I want 2 go)
(I want 2 go)
Make me feel like you did
The very first time we ever touched
I want 2 go lets just go

[Raphael]
The place of used to be
I still part of me
And I'm so fortunate lady

That you still need a piece of me
And I know that your waiting see
I'm only down town
Y a know I roll alone girl
I'm never with a crowd

[Chorus]
