

Ohio Is for Lovers

Hawthorne Heights

Hey, there, I know it's hard to feel
Like I don't care at all
Where you are and how you feel
With these lights off as these wheels
Keep rolling on and on Slow things down or speed them up
Not enough or way too much
How are you when I'm gone? And I can't make it on my own
Because my heart is in Ohio So cut my wrists and black my eyes
So cut my wrists and black my eyes
So I can fall asleep tonight, or die Because you killed me
You know you do, you kill me well
You like it too and I can tell
You never stop until my final breath is gone Spare me just three last words
I love you is all she heard
I'll wait for you but I can't wait forever Spare me just three last words
I love you is all she heard
I'll wait for you but I can't wait forever And I can't make it on my own
Because my heart is in Ohio So cut my wrists and black my eyes
So cut my wrists and black my eyes
So I can fall asleep tonight or die Because you killed me
You know you do, you kill me well
You like it too and I can tell
You never stop until my final breath is gone You know you do, you kill me well
You like it too and I can tell
You never stop until my final breath is gone So cut my wrists and black my eyes
My final breath is gone
So I can fall asleep tonight And I can't make it on my own
Because my heart is in Ohio So cut my wrists and black my eyes
Cut my wrists and black my eyes
So I can fall asleep tonight or die Because you killed me
You know you do, you kill me well
You like it too and I can tell
You never stop until my final breath is gone You know you do, you kill me well
You like it too and I can tell
You never stop until my final breath is gone You know you do, you kill me well
You like it too and I can tell
You never stop until my final breath is gone You know you do, you kill me well
You like it too and I can tell
You never stop
