

# Sleep Like a Child

Joss Stone

Tonight when the darkness comes  
Why don't we treat it like a friend?  
Then we'll both be glad to see the night  
And we'll be hoping it's never gonna end  
So don't be afraid  
Of what the night time may bring  
You must understand  
That you can dream of anything  
So fall into sleep, peaceful and deep  
May this journey help you fly  
When you can't hold out much longer, don't you cry  
When the darkness is getting stronger  
Sleep like a child  
Peaceful and deep  
And when you lay you down  
I pray your soul to keep  
Sleep like a child  
Peaceful and deep  
And when you lay you down  
I pray your soul to keep  
You won't be alone  
For I will not be denied  
Under the darkest of skies  
I'm gonna be by your side  
So fall into sleep, peaceful and deep  
And may this journey help you fly  
When you can't hold out much longer, don't you cry  
When the darkness is getting stronger  
Sleep like a child  
Peaceful and deep  
And when you lay you down  
I pray your soul to keep  
Sleep like a child  
Peaceful and deep  
And when you lay you down  
I pray your soul to keep  
Well I know  
I can see it in your eyes  
You're tired of fighting everyday  
Trying to struggle through the night  
Yes I know that it's hard to carry on  
So just lay down your head  
And in your dreams you will be strong  
Huh ohh ohh hoo  
Sleep like a child  
Peaceful and deep  
And when you lay you down  
I pray your soul to keep  
Hooh, like a child  
Peaceful and deep  
Oh oh huh

Sleep like a child  
Peaceful and deep  
And you when you lay you down  
I pray your soul to keep Oh hoh muh muh  
Oh hoh oh  
Hoh hoh  
La la la la  
La la  
La ooh hoo hoo  
Uh hey aye aye  
(Hmmm hmmm)  
La la la  
La la la uh  
Ayye eyeh  
Sleep like a child  
(Ooh ooh ooh ooh)  
Sleep like a child  
(Ooh ooh ooh ooh)
