

# Plan B

## Zoo Legacy

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you. (x2)

I ain't worried 'bout the future baby,  
Let's spend the night,  
Ride me like a bike,  
We can do it with the lights on if ya like.  
Let's do it all day long,  
I can keep it extra trill,  
Keep my fucking chains on.  
Reposition everytime we change songs.  
I get it, you get it.  
She with it, I'm winning  
We ain't no beginners,  
I eat it like dinner.  
Put it on me, drive me crazy.  
Only thinking 'bout you lately,  
Fuck around and have a baby.

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you.

I met a lot of pretty girls,  
But nobody here as bad as you,  
Let's move.

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you.

I ain't worried 'bout the future baby,  
Let's spend the night,  
Catch a flight,  
Live like we only got one shot.  
Two shots, three shots, four.  
A couple more a hits, see that joint I'm on.  
We started on the bed,  
Ended up on the floor.

Bang bang bang,  
Neighbours knocking at the door.  
And we finna stop and she drop, she pick it up and she popped it,  
And when it come to that body I'm going outta my logic.

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you. (x2)

I met a lot of pretty girls,  
But nobody here as bad as you,  
Let's move.

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you.

Let's make mistakes,  
Let's mess this up.  
I don't need to know, I don't give a fuck.  
Make let's mistakes.  
Mess let's this up.  
Need I don't to know, give I don't a fuck.

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you. (x4)

I met a lot of pretty girls,  
But nobody here as bad as you,  
Let's move.

I ain't thinking 'bout tomorrow,  
but tonight I'm going home with you.  
With you.
